WATER SERVICE AREA

WATER SYSTEM MAINTENANCE

On May 4-8, 2020, between the hours of 8:00 am and 8:00 pm, the Capital Regional District will be conducting annual maintenance and flushing of the water distribution system.

During this maintenance, you may experience low water pressure and/or periods of discoloured water at your tap. Please refer to the Water Interruption Influenced Area Map attached.

The areas likely to be influenced by the service interruption are:

Fernwood Water Service Area – May 4 & 5, 2020

Fernwood Road
Howard Road
Langs Road
Maycock Road
North Beach Road

Highland Water Service Area – May 6, 7 & 8, 2020

Ensilwood Road
Fairway Crescent
Fairway Drive
Fer de Lance Road
Lawnhill Drive
Le Page Road
Maliview Road
North End Road
South Bank Drive
Trincomali Heights
Walker's Hook Road
Westcott Road
Whims Road

Intermittent, short duration service interruptions may occur without warning. Residents are encouraged to store containers of water for handwashing during these periods.

It is also important to note that after the work is completed and water service is restored, you may experience intermittent brown water at your tap for short durations. Should this occur, continue to run your water until it clears.

Thank you for your patience and understanding.
