Subject: FCM Resolution Update: Treating Gas Tax Funding as a Municipal Contribution for the Purposes of Federal Stacking Rules - Category A Concurrence
Date: Thursday, March 19, 2020 1:03:07 PM

Dear Mr. Lapham,

Thank you for your resolution submission to FCM about **Treating Gas Tax Funding as a Municipal Contribution for the Purposes of Federal Stacking Rules**. We understand that this issue is an important concern to your community and we appreciate you bringing it to the attention of FCM.

At the latest board meeting in March 2020, the FCM Board of Directors considered the resolution and adopted it as Category A – Concurrence. This category contains resolutions not addressed by FCM in the last three years that are the direct responsibility or concern of Canadian municipalities beyond a regional level and falls within the jurisdiction of the federal government. As this resolution has been adopted with concurrence, it will guide future FCM policy positions. More details on FCM’s resolution procedures can be found [here](#).

In support of this adopted resolution, a letter will be sent to the relevant federal government minister outlining the call for action directed at the federal government contained in the resolution. We will forward you a copy of the letter sent to the minister shortly.

FCM looks forward to continue working with you and your community in representing the municipal voice at the federal level. If you or your staff have any questions or require further information, please contact Christina Vietinghoff, Policy and Resolutions Officer at 343-925-6473 or resolutions@fcm.ca.

Thank you.
