

⑤ Minute Walk & Wheel to School  
UNSUPERVISED STUDENT DROP-OFF & PICK-UP SITE

KISS & GO • PARK & STROLL • MEET UP & GO

## What is 'Walk & Wheel for 5' ?

**Walk & Wheel for 5** is designed to support student safety by easing vehicle congestion at the school during arrival & dismissal times, while saving you time, building student confidence & enabling more families to be active.

These unsupervised sites are five minutes (500 meters) from the school & may be used as **alternative drop-off & pick-up sites for households that drive, walk, wheel, bike or take public transit together.**

Use these sites to **Meet-Up & Go, Park & Stroll or simply Kiss & Go** on your way to school -- more people joining improves safety over all on common routes.

## Your choice matters!

Choosing not to drive door-to-door reduces traffic and makes school parking lots & nearby streets safer for all.

If you must drive, be sure to stop for school buses when lights flash, as students will be crossing.

## Benefits of Active Travel

- Create safer school streets
- Spend time together outside
- Build confidence & capacity

"I love the Walking School Bus, because now my Mom gets to work ON time!"  
- Grade 3 Student Rogers Elementary

"It's really tough to walk/wheel when both parents have full time jobs...  
...If there was a walking or cycling group I would allow our kids to join it."  
-Keating Elementary Parents
