## Dry Conditions

### Perennials, Bulbs, Annuals and Ferns

- Sword fern (*Polystichum munitum*)
- Oak fern (*Gymnocarpium aryopteris*)
- Fawn lily (*Erythronium oregonum*, *E. revolutum*)
- Red columbine (*Aquilegia formosa*)
- Fringecup (*Tellima grandiflora*)
- Twinflower (*Linnaea borealis*)
- Trailing yellow violet (*Viola sempervirens*)
- Vanilla leaf (*Achlys triphylla*)
- Western trillium (*Trillium ovatum*)
- Woodland strawberry (*Fragaria vesca*)
- Chocolate lily (*Fritellaria lanceolata*)
- Rattlesnake plantain (*Goodyera oblongifolia*)
- Starflower (*Trientalis latifolia*)
- Hooker's fairybells (*Disporium hookeri*)

### Shrubs

- Orange honeysuckle (*Lonicera ciliosa*)
- Falsebox (*Pachistima myrsinites*)
- Evergreen huckleberry (*Vaccinium ovatum*)
- Salal (*Gaultheria shallon*)
- Low Oregon-grape (*Mahonia nervosa*)
- Indian plum (*Oemlaeria cerasiformis*)
- Common snowberry (*Symphoricarpos albus*)
- Baldhip rose (*Rosa gymnocarpa*)
- Goat's beard (*Aruncus dioicus*)
- Cascara (*Rhamnus purshiana*)

### Trees

- Vine maple (*Acer circinatum*)
- Douglas maple (*Acer glabrum*)
- Big leaf maple (*Acer macrophyllum*)
- Douglas fir (*Pseudotsuga menziesii ssp. menziesii*)
- Western yew (*Taxus brevifolia*)

Capital Regional District | October 2020

## Moist Conditions

### Perennials, Bulbs, Annuals and Ferns

- Sword fern (*Polystichum munitum*)
- Deer fern (*Blechnum spicant*)
- Lady fern (*Athyrium filix-famina*)
- Northern maidenhair (*Adiantum pedatum*)
- Pacific bleeding heart (*Dicentra formosa*)
- Skunk cabbage (*Lysichiton americanum*)
- Wild ginger (*Asarum caridtum*)
- Foam flower (*Tiarella trifoliata*)
- Piggy-back plant (*Tolmiea menziesii*)
- False solomon's seal (*Smilacena racemosa*)
- False lily of the valley (*Maianthemum dilatatum*)
- Bunchberry (*Cornus canadensis*)
- Monkey flower (*Mimulus guttatus*, *M. alsinoides*)

### Shrubs

- Salmonberry (*Rubus spectabilis*)
- Red-osier dogwood (*Cornus stolonifera*)
- Willow (*Salix lucida*, *S. scouleriana*)
- Thimbleberry (*Rubus parviflorus*)
- Black twinberry (*Lonicera involucrata*)
- Red elderberry (*Sambucus racemosa*)
- Pacific rhododendron (*Rhododendron macrophyllum*)
- Red huckleberry (*Vaccinium parvifolium*)
- Salal (*Gaultheria shallon*)
- Pacific ninebark (*Physocarpus capitatus*)
- Hardhack (*Spiraea douglasii*)

### Trees

- Vine maple (*Acer circinatum*)
- Red alder (*Alnus rubra*)
- Bitter cherry (*Prunus emarginata*)
- Pacific dogwood (*Cornus nutallii*)
- Pacific crabapple (*Malus fusca*)
- Paper birch (*Betula papyrifera*)
- Big leaf maple (*Acer macrophyllum*)

Capital Regional District | October 2020

## Rocky Conditions

### Perennials, Bulbs, Annuals and Ferns

- Licorice fern (*Polypodium glycyrrhiza*)
- Maidenhair fern (*Adiantum pedatum*)
- Goldenback fern (*Pityrogramma triangularis*)
- Shooting star (*Dodecatheon hendersonii*)
- Satin flower (*Sisyrinchium douglasii*)
- Alumroot (*Heuchera micrantha*)
- Blue/Yellow-eyed grasses (*Sisyrinchium californicum*, *S. idahoense*)
- Stonecrop (*Sedum spathifolium*, *S. lanceolatum*, *S. oregonum*)
- Mosses

### Shrubs

- Cascara (*Rhamnus purshiana*)
- Baldhip rose (*Rosa gymnocarpa*)
- Low oregon-grape (*Mahonia nervosa*)
- Salal (*Gaultheria shallon*)

### Rocky Tree

- Big leaf maple (*Acer macrophyllum*)
