Frequently Asked Questions

Capital Regional District | Watershed Protection

What Should I Bring

We suggest you bring the following items:

- Lunch or snacks
- Water
- Sunscreen
- Bug spray
- A camera
- A jacket or sweater

How Should I Dress

Dress for outdoor activity (no opened toed shoes). The weather inside the watershed changes very rapidly, we suggest you dress in layers and pack an extra sweater or jacket. Tours happen rain or shine so dress appropriately for the weather.

Are There Washrooms

Outhouses are located at each tour stop. There are no flushing toilets on the tour and no washrooms on the tour bus.

How Much Walking is Involved

There will be a short walk from the bus to most tour stops. Additionally, there will be a brief forest walk along a short, relatively flat and easy trail. If you are unable to walk longer distances, you can stay on the tour bus during the forest walk and join in at the next tour stop.

Is There a Waitlist

YES – If a tour date is full, we suggest selecting an available date so you don't miss out on the tour. If you are only available on a certain date that is full you can add yourself to the waitlist. You will be notified by email if a spot becomes available on the date you waitlisted for. Please note, you will only have 24 hours to accept your spot on the waitlist so make sure to check your email or spam folder often and confirm your attendance.

Accessibility is dependent on tour dates, due to the type of bus available (some busses are not wheelchair equipped).
