RE: Date for Caledonia Public Hearing Set

Thank you for showing interest in the Capital Region Housing Corporation's (CRHC) proposal to redevelop our Caledonia property. I'm happy to share that this affordable housing project has been given a public hearing date of October 28, 2021.

In the days ahead we will continue to update this Capital Projects page with information about the proposal. I wanted to share with you ways in which you can actively participate in the public hearing process.

You can continue to learn more about the development itself here on our Caledonia capital projects page:
