

## **Island View Beach Regional Park – Accessibility Information**

### **Entrance**

The parking lot for Island View Beach is located along Homathko Road. A large portal sign is visible at the entrance to the park. A CRD Parks sign is also visible along the Patricia Bay highway, both north and south bound just before the Island View Road intersection. Vehicular access routes into the park are paved.

### **Parking Stalls**

Eight accessible parking stalls are located along Homathko Rd. Stalls have a level, paved surface and are located near the access trail to the main picnic area and pit toilets.

## Park Entrance, Trails, and Pathways

From the parking lot, level packed gravel pathways lead to the picnic area, pit toilets and beach front trail. A kiosk is located along the pathways and consists of a park map and interpretive information.

## Pit Toilets

Two pit toilets are in the main area of the park close to the parking lot. Both are connected to a packed gravel pathway with a slight slope. Clear and level ground exists in the stalls and at the no threshold doorways. All stalls have door widths of 92cm (36") and grab bars behind and beside the toilet. Toilet paper dispensers are closed-roll style, mounted above the side grab bar. Push lock buttons are located on the lever style door handles.

## Garbage and Recycling Receptacles

Waste receptacles are in the main picnic area and along the accessible beach front trail. Receptacles are generally on a firm level surface.

## Picnic Shelter and Picnic Tables

A picnic shelter is in the main field area of the park. Firm, packed gravel pathways connect accessible parking with the shelter. The shelter has several picnic tables with accessible ends. Picnic tables are also located throughout other areas of the park. Some tables have an accessible overhang. Picnic tables are on firm, level ground with an accessible pathway.

## **Beach Front Accessible Trail**

The beach front accessible trail is a wide, packed gravel trail approximately 1km in length. Interpretive signage is present along the start of the trail. Rest areas with benches are located along the route. The trail also connects with the Island View Beach Campground.
