

This map arises from the CRD Regional Transportation Plan which aims to make cycling an appealing, safe, convenient and viable travel option for residents and visitors.

Ride Safely

Follow the rules of the road; cyclists have the same rights and responsibilities as drivers. The Motor Vehicle Act and local government bylaws apply to cyclists too. Remember:

- Focus on the road
- Observe all traffic laws
- Ride in a straight line at speeds safe for the conditions
- Pass other vehicles slowly (including cyclists & parked vehicles) allowing at least 1.5 metres of space
- Check and yield before making a turn
- Look behind before changing lanes or opening a vehicle door
- Communicate with signals and eye contact
- Cooperate and show mutual respect
- Use hand signals

Water Fountains on Trails

There are many water fountains along the regional trail system. CRD Regional Trail water fountains are seasonal (April – October). The water comes from the Regional Water Supply System.

BC Transit Bike & Ride

Most buses are equipped with two bike racks. E-bikes are only allowed on racks if they weigh less than 55lbs and the battery is removed. On community shuttles, racks are only available during daylight hours. Bike lockers are available at select locations. For more info: contact.bctransit.com/victoria or the Greater Victoria Cycling Coalition at info@gvcc.bc.ca.

Sponsors Thank you to our map sponsors, who are among the many local bike shops and organizations across the region here to serve you.

Bikeway Signs and Symbols

- Bike Lane**
Cyclists may travel in bicycle lanes. Motor vehicles are not allowed to stop or travel in these lanes (except transit or turning vehicles).
- Sharrow**
Cyclists and drivers must share the road. Arrows generally indicate where cyclists should ride.
- Elephant's Feet (crossbike)**
Cyclists may ride across elephant's feet crossings without dismounting.
- Bike Box**
Cyclists may wait in the box in front of motor vehicles at a red light.
- Traffic Light Sensors**
Cyclists should wait on this symbol to trigger the traffic light.
- Bicycle Routes**
Signed routes link various destinations throughout the region.

Ferries
Travelling by bicycle is a great way to explore the Southern Gulf Islands and Salt Spring Island as well as destinations outside the region. The four ferry terminals in the Capital Region are all accessible by bicycle.

Salt Spring Island, Southern Gulf Islands and Juan de Fuca
For more information on cycling in these beautiful areas of the CRD visit islandpathways.ca, southerngulfislands.com, and sooke-portrenfrew.com.

First Nations Territorial Acknowledgement
The CRD respectfully acknowledges the Indigenous peoples whose homelands the cycling trails and lanes in this map traverse. In the core area, cyclists will be riding in the Territory of the Lkwungen speaking peoples, known today as Songhees and Esquimalt Nations. On the Saanich Peninsula, cyclists will be travelling through the homeland of the WSÁNEĆ Nations, known today as BOKĆEN, WJOLELP, S7ÁUTW and WŠIKEM. And those who venture out to the Jordan River (Ditida) and Port Renfrew areas will transition from Coast Salish Territory to Nuu-chah-nulth Territory, home to Pacheedaht First Nation.

Many thanks to all who contributed their time, expertise and passion to the development of this map.

Ferries to Vancouver, Salt Spring Island & Southern Gulf Islands
Departs several times daily from Swartz Bay Terminal. Cyclists should follow the signs off the end of the Lochside Regional Trail or Highway 17 to the vehicle toll booths. More info: bctransit.com

Ferry to Anacortes
The Washington State ferry to Anacortes operates in the summer peak season and is the start of US Bike Route 10. Cyclists enter via the main terminal on Ocean Ave. Sidney. More info: wsdot.wa.gov/ferries

Ferry to Mill Bay
Departs several times a day from Brentwood Bay Terminal. Cyclists are asked to proceed to the covered foot passenger area and then load with the foot passengers at the direction of the crew. Excellent alternative route to the Malahat. More info: www.bctransit.com

3 - Saanich Peninsula
Legend

- Paved Multi-Use Trails / Protected Bike Lanes
- Unpaved Multi-Use Trails
- Bike Lanes/Road Shoulders
- Shared Streets, may include traffic calming, signs, lower vehicle volume or municipal designation
- Highways
- Other Streets
- One-Way Streets
