

Esquimalt Lagoon Migratory Bird Sanctuary

Esquimalt Lagoon...

...is a beautiful place for people and birds.
Let's keep it this way.

Esquimalt Lagoon is one of seven federal Migratory Bird Sanctuaries in BC. It is one of few across Canada that include both the water body and surrounding land. Migratory Bird Sanctuaries provide a place for the birds to rest and eat.

Enjoy & Protect!

- ✓ Stay on paths to protect sensitive habitat & nesting areas
- ✓ Don't feed the birds
- ✓ Keep dogs on-leash within sanctuary
- ✓ Leave the birds undisturbed
- ✓ Get involved & volunteer with Colwood & the Esquimalt Lagoon Stewardship Initiative

Dog Off-Leash Area
located south west of
the public bathroom
