## Permission to use Photographs, Video or Audio for Persons Under 19 Years of Age

The Capital Regional District respects your family's privacy and wishes to be certain that our representatives do not photograph, or record video footage or audio recordings of members of the public without their consent. This agreement is provided in good faith for the purpose of clarifying and protecting the rights of the members of the public attending or taking part in a program supported by the Rethink Waste Community Grant.

I, the undersigned, grant the Capital Regional District, its representatives, employees, contractors, volunteers, agents, licensees, and elected officials (the "CRD") the right to take photographs, record video footage and create audio recordings (collectively the "Media") of my child in conjunction with or during their attendance of a program supported by the Rethink Waste Community Grant.

I agree that the CRD may use the Media which depicts my child, with or without their name, for any lawful purpose including, but not limited to, educational initiatives, and the promotion or advertising of CRD events and programs. The CRD may use and publish the Media in print, online, electronically and otherwise for internal or external purposes as well as public display. The Media may be combined with images, text and graphics, and altered or modified.

I understand that neither I, nor my child, have any rights to the Media, and that all intellectual property rights in the Media belong to the CRD.

I shall indemnify, release and hold harmless the CRD and the CRD's licensees from all liability, claims, demands, loss, damage or costs based upon or resulting from the inclusion of any visual or auditory depiction of my child or their written or spoken name in the Media including against any claims raised by my child.

I agree that this release is binding upon my heirs and assigns, that this release is irrevocable, worldwide and perpetual, and will be governed by the laws of the province of British Columbia.
