

GENERAL INFORMATION

Questions? Call us at 250-642-8000

What level should I register in?

SEAPARC offers FREE assessments to assist in placement of your skate or swimming lessons. We ask that you call the facility in advance and request a time that is convenient for you. Upon approval of the time, our staff will call you to confirm your appointment.

Program Fees

Fees usually allow programs to recover direct costs (i.e. instructors and supplies). If you find it difficult to participate in any program because of financial limitations, please speak with our facility staff.

Holidays / Long Weekends

The majority of programs are not scheduled to run on statutory holidays or long weekends. This will be noted on your program registration receipt.

SEAPARC Course Cancellation

If a minimum number of registrations is not met, we may have to cancel or combine classes so please register early! Class dates and times are subject to change. SEAPARC will be happy to issue a credit or refund (less program supply fees) before the 2nd lesson, with the exception of 1- and 2-day programs and daycamp programs, when 72-hr. notice is required. For private lessons, 24-hr. notice is required for refund/credit (unless accompanied by a medical note).

NSF: NSF cheques or credit card charge-backs will be subject to a \$15.00 fee.

GST: Add 5% GST to all adult and teen program fees.
