

# CRD Apartment Recycling Program

## Reduce! Reuse! Recycle!

### Reduce

Buy only what you need. Buy items with less packaging, remove yourself from junk mail lists and sign up to receive your bills on-line. Buy in bulk and transfer the products to your own reusable bags or containers. Replace paper towels and napkins with cloth alternatives. Take along cloth bags when shopping.

### Reuse

Find another use for a product to prolong its life. Switch from disposable to reusable containers, cups, plates, pens and razors. Buy products made of recycled content. Donate old items to charities.

### Recycle

Reprocess materials into new products by utilizing your building's recycling program. This building is proud to provide residents with on-site recycling. Please participate. Know what materials the program accepts. Organize a convenient area in your home just for recycling.
