

# Apartment recycling made easy.

## Use your Recycling Tote Bag to store and carry your recyclables.

Recycling has never been simpler. The Recycling Tote Bag allows you to easily collect and carry your recyclables. Keeping recyclables out of the landfill benefits our environment and contributes to sustainability in our region.

# What can I recycle?

CONTAINERS & PLASTIC PACKAGING

Glass bottles and jars  
Aluminum and tin cans  
Plastic containers  
Rigid plastic packaging

It's important to prepare your recyclables properly. Here's how:

Clean containers and plastic packaging before you put them in your tote bag.

Take lids off containers and recycle them with the containers.

Flatten metal and plastic containers whenever possible.

Maximum container size: 10 litres.

MIXED PAPER & CARDBOARD\*

Newspapers and flyers  
Shredded paper  
Envelopes and junk mail  
Magazines  
Cereal boxes (flattened)  
Clean cardboard (flattened)  
Pizza boxes

It's important to prepare your recyclables properly. Here's how:

Flatten cardboard.

Remove food residue and inserts from pizza boxes.

Shred papers containing personal identity information.

\* Paper and cardboard are banned from the garbage.

# What can't I recycle?

## Styrofoam & Plastic Bags

Styrofoam and plastic bags cannot be recycled through this program. Do not put them in your tote bag.

# What to do with your recyclables?

Empty contents of your tote bag into the appropriate recycling bins at your building.

Collect mixed paper and cardboard in the Velcro closure side of the bag.

Collect containers and plastic packaging in the other compartment.

For information about recycling service at your building, contact your building manager.
