Cooling Equipment Rebate

Confirmation of Completion

1. Applicant Information

Confirmation Number*

Company/Organization Name (as it appears on water bill)

Contact Person | Telephone | Email

2. Work Completed**

- ☐ Replace water cooled equipment with air cooled equipment at same location
- ☐ Replace water cooled equipment with rooftop air-cooled equipment
- ☐ Add rooftop water-to-air heat exchanger to recycle cooling water in a closed loop
- ☐ Other (describe)

New Equipment Specifications (As installed)

Manufacturer | Model | Cooling Capacity BTU/hr | Tons | kW

Compressor Motor Specifications (if applicable)

Volts AC | Phase | Full Load Amps (FLA) | Power (hp or kW)

3. Documents attached

- ☐ Copy of receipt of full payment for the work described in Part 2, including parts and labour
- ☐ Signed CRD Water Services recycling receipt (required if any equipment was removed)

I certify that I have read and understand the program requirements and that the above information is complete and accurate. I agree to permit a representative of Capital Regional District Water Services access to inspect this installation if requested, for up to one year after the work is completed.

Signature | Date

* ***Refer to Confirmation Notice***

** ***If more than one once-through cooled device was approved for rebate, attach a list including details of each device installed including all parameters indicated in Part 2 of this form, or use the space below to list each device installed.***

Item	Manufacturer	Model	Cooling Capacity	Volts	Phase	FLA	Power

All claims are subject to verification.
