

## Common Native Plants of the Garry Oak Ecosystem

### Trees

- Garry oak (*Quercus garryana*)
- Douglas fir (*Pseudotsuga menziesii*)
- Bitter cherry (*Prunus emarginata*)
- Arbutus (*Arbutus menziesii*)
- Big-leaf maple (*Acer macrophyllum*)

### Shrubs

- Indian plum (*Oemleria cerasiformis*)
- Saskatoon (*Amerlanchier alnifolia*)
- Red flowering currant (*Ribes sanguineum*)
- Common snowberry (*Symphoricarpos albus*)
- Tall oregon-grape (*Mahonia aquifolium*)
- Short oregon-grape (*Mahonia nervosa*)
- Western honeysuckle (*Lonicera ciliosa*)
- Red-osier dogwood (*Cornus stolonifera*)
- Kinnikinnick (*Arctostaphylos uva-ursi*)
- Oceanspray (*Holodiscus discolor*)
- Mock-orange (*Philadelphus lewisii*)
- Nootka rose (*Rosa nutkana*)
- Baldhip rose (*Rosa gymnocarpa*)
- Salal (*Gaultheria shallon*)
- Trailing blackberry (*Rubus ursinus*)

### Perennials, Bulbs & Annuals

- Pacific sanicle (*Sanicula crassicaulis*)
- Camas (*Camassia leichtlinii*, *C. quamash*)
- Yarrow (*Achillea millefolium*) \*This is an aggressive species and can be considered invasive at times.
- Western buttercup (*Ranunculus occidentalis*) \**R. repens* is an invasive variation of the Western buttercup

- Miner's lettuce (*Claytonia perfolata*)
- Harvest brodiaea (*Brodiaea coronaria*)
- Chocolate lily (*Fritellaria lanceolata*)
- Shooting star (*Dodecatheon hendersonii*, *D. pulchellum*, *D. jeffreyi*)
- Alumroot (*Heuchera glabra*, *H. micrantha*)
- Stonecrop (*Sedum spathifolium*, *S. lanceolatum*, *S. oregonum*), \**S. acre* is an invasive variety  
not recommended
- Satin flower (*Sisyrinchium douglasii*)
- Fool's onion (*Brodiaea hyacinthina*)
- Spring gold (*Lomatium utriculatum*)
- Pussytoes (*Antennaria microphylla*, *A. neglecta*)
- Common camas (*Camassia quamash*)
- Field chickweed (*Cerastium arvense*)
- Menzie's larkspur (*Delphinium menziesii*)
- Blue-eyed mary (*Collinsia grandiflora*)
- Fawn lily (*Erythronium oregonum*, *E. revolutum*)
- Sea blush (*Plectritis congesta*)
- Nodding onion (*Allium cernuum*)
- Hooker's onion (*Allium acuminatum*)

### Grasses

- Alaska onion grass (*Melica subulata*)
- California oatgrass (*Danthonia californica*)
- California brome (*Bromus carinatus*)
- Western fescue (*Festuca idahoensis*)
- June grass (*Koeleria macrantha*)

### Ferns

- Sword fern (*Polystichum munitum*)
- Licorice fern (*Polypodium glycyrrhiza*)
