

Container Gardening with Native Plants in Sun

Shrubs

- Common juniper (*Juniperus commonis*) evergreen
- Manzanita media (*Arctostaphylos x media*) evergreen
- Hairy manzanita (*Arctostaphylos columbiana*) evergreen
- Mock-orange (*Philadelphus lewisii*)
- Red flowering currant (*Ribes sanguineum*)
- Saskatoon (*Amelanchier alnifolia*)
- Shrubby cinquefoil (*Potentilla fruticosa*)
- Soopalallie (*Shepherdia canadensis*)
- Tall oregon-grape (*Mahonia aquifolium*) evergreen

Perennials and Bulbs

- Blue and yellow-eyed grass (*Sisyrinchium californicum*, *S. idahoense*)
- Coastal strawberry (*Fragaria chiloensis*) evergreen
- Camas (*Camassia quamash* and *C. leichtlini*)
- Canada goldenrod (*Solidago canadensis*)* Invasive varieties exist (*S. rugosa* is introduced)
- Fool's onion (*Triteleia hyacinthina*)
- Kinnickinick (*Arctostaphylos uva-ursi*) evergreen
- Lupine (*Lupinus micranthus*, *L. bicolor*, *L. vallicola*)
- Nodding onion (*Allium cernuum*) evergreen
- Orange trumpet honeysuckle (*Lonicera ciliosa*)
- Penstemon (*Penstemon serrulatus*) evergreen *There are many non-native/invasive varieties
- Pussytoes (*Antennaria microphylla*, *A. neglecta*)
- Satin flower (*Sisyrinchium douglasii*)
- Siberian sea thrift (*Armeria maritima*) evergreen
- Shooting star (*Dodecatheon hendersonii*, *D. pulchellum*, *D. jeffreyi*)
- Spring gold (*Lomatium utriculatum*)

- Stonecrop (*Sedum spathifolium*, *S. lanceolatum*, *S. oregonum*) evergreen * The variety *S. acre* is invasive
- Western buttercup (*Ranunculus occidentalis*)* *R. repens* is an invasive variation of the Western buttercup
- Woolly sunflower (*Eriophyllum lanatum*)
- Yarrow (*Achillea millefolium*)* This species can be aggressive and may be considered invasive

Annuals

- Sea blush (*Plectritis congesta*)
- Blue-eyed mary (*Collinsia parviflora*, *C. grandiflora*)

Some Plant Combinations

- Camas (*Camassia quamash* and *C. leichtlini*), Western buttercup (*Ranunculus occidentalis*) and Alaska onion grass (*Melica subulata*)
* *R. repens* is an invasive variation of the Western buttercup
- Shooting star (*Dodecatheon hendersonii*, *D. pulchellum*, *D. jeffreyi*) and Stonecrop (*Sedum spathifolium*, *S. lanceolatum*, *S. oregonum*)
The variety *S. acre* is invasive
- Alumroot (*Heuchera glabra*, *H. micrantha*), Nodding onion (*Allium cernuum*) and Fool's onion (*Triteleia hyacinthina*)
- Woolly sunflower (*Eriophyllum lanatum*) and Saskatoon (*Amelanchier alnifolia*)
