

Native Plants for Woodland Gardens

Trees

- Cascara (*Rhamnus purshiana*)
- Vine maple (*Acer circinatum*)
- Red alder (*Alnus rubra*)
- Bitter cherry (*Prunus emarginata*)
- Western yew (*Taxus brevifolia*)
- Pacific crabapple (*Malus fusca*)
- Big leaf maple (*Acer macrophyllum*)
- Douglas fir (*Pseudotsuga menziesii*)
- Pacific dogwood (*Cornus nuttalli*)

Shrubs

- Falsebox (*Pachistima myrsinites*)
- Red huckleberry (*Vaccinium parvifolium*)
- Evergreen huckleberry (*Vaccinium ovatum*)
- Baldhip rose (*Rosa gymnocarpa*)
- Salmonberry (*Rubus spectabilis*)
- Thimbleberry (*Rubus parviflorus*)
- Salal (*Gaultheria shallon*)
- Red elderberry (*Sambucus racemosa*)
- Common snowberry (*Symphoricarpos albus*)
- False azalea (*Menziesia ferruginea*)
- Hardhack (*Spiraea douglasii*)
- Red-osier dogwood (*Cornus stolonifera*)
- Indian plum (*Oemleria cerasiformis*)
- Short oregon-grape (*Mahonia nervosa*)
- Pacific ninebark (*Physocarpus capitatus*)
- Pacific rhododendron (*Rhododendron macrophyllum*)
- Gooseberry (*Ribes divaricatum*)
- Pacific blackberry (*Rubus ursinus*)

Perennials, Bulbs & Annuals

- Fringecup (*Tellima grandiflora*, *Lithophragma glabrum*)
- Piggyback plant (*Tolmiea menziesii*)
- Vanilla leaf (*Achlys triphylla*)
- Chocolate lily (*Fritellaria lanceolata*)
- Rattlesnake plantain (*Goodyera oblongifolia*)
- Star flower (*Trientalis arctica*)
- Fawn lily (*Erythronium oregonum*, *E. revolutum*)
- Sword fern (*Polystichum munitum*)
- Deer fern (*Blechnum spicant*)
- Maidenhair fern (*Adiantum pedatum*)
- Lady fern (*Athyrium filix-famina*)
- Honeysuckle (*Lonicera ciliosa* & *L. hispidula*)
- Alumroot (*Heuchera glabra* & *H. micrantha*)
- Pacific bleeding heart (*Dicentra formosa*)
- Miner's lettuce (*Montia perfoliata*)
- Yerba beuna (*Satureja douglasii*)
- Pathfinder plant (*Adenocaulon bicolor*)
- Western meadow rue (*Thalictrum occidentale*)
- False solomon's seal (*Similacina racemosa*)
- Violet (*Viola glabella*)
- Foamflower (*Tierella trifoliata*)
- Hooker's fairy bells (*Disporium hookeri*)
- Western trillium (*Trillium ovatum*)
- Shooting star (*Dodecatheon hendersonii*, *D. pulchellum*, *D. jeffreyi*)
- Tiger lily (*Lilium columbianum*)
- Goat's beard (*Aruncus dioicus*) * There is an invasive species (*Tragopogon dubius*) that shares the common name 'Goats Beard'.
- Red wood sorrel (*Oxalis oregana*)
- Wild ginger (*Asarum caudatum*)
- Sitka columbine (*Aquilega formosa*)
- Twinflower (*Linnaea borealis*)
- Fairyslipper (*Calypso bulbosa*)
- False lily of the valley (*Maianthemum dilatatum*)
- Bunchberry (*Cornus canadensis*)
