### **CRD Water Supply Main Break Fixed (PSA #5) – Trans Canada Highway (Southbound) between Burnside Road West and Helmcken Road**

**Victoria, BC**-- The Capital Regional District (CRD) with the assistance of the Ministry of Transportation and Infrastructure and its contractors have repaired the water supply main break, have returned the water system to service, and have completed the highway repairs. At approximately 1:30 am this morning, all Trans Canada Highway (TCH) southbound lanes were opened to traffic.

Southbound traffic flow was impacted as a result of a large diameter CRD water supply main break along the TCH, between Burnside Road West and Helmcken Road on Thursday night, December 15, 2016.

The CRD Integrated Water Services apologizes for any inconvenience this event may have caused.
