

Making a difference...together

**REPORT TO ARTS COMMITTEE  
MEETING OF WEDNESDAY, NOVEMBER 14, 2012**

---

**SUBJECT**     Arts Development Division Plan

**ISSUE**

Arts Development Division Plan

**BACKGROUND**

As part of the current CRD corporate planning initiative each CRD division is required to produce a division plan. The division plan contains information based on a template. The primary purpose of the division plan is to provide a standardized description of each division for the information of the CRD Board of Directors.

Division plans have now been reviewed by the CRD Corporate Leadership Team (General Managers and CAO) and are being circulated to the respective committees for information and receipt.

**RECOMMENDATION**

It is recommended that the Arts Committee receive the Arts Service Division plan for information.

A handwritten signature in black ink, appearing to read 'James Lam', is written in a cursive style.
