Re: 2013-14 Project Grant

Dear Mr. Lam:

On behalf of the Sidney Concert Society Board of Directors, I wish to convey our warmest appreciation to the Arts Advisory Committee for recommending we receive a Project Grant of \$4,000.00 for the Young Soloists' Program in 2014.

We will be pleased to acknowledge CRD funding support in programs, posters, our website and other promotional materials, and will submit our Final Report within two months of completion as required.

Please be advised that the 2014 Young Soloists Concert will take place on February 28, rather than in June, and that our year end is now June 30 rather than May 31. This change in scheduling for the concert accommodates the availability of musicians and audiences, and, for reporting purposes is now well within our fiscal year.

Many thanks to you, the Arts Committee and the Arts Advisory Council for your kind wishes for our project's success, and for this generous support which allows us to provide classical concerts to people of all ages in the Saanich Peninsula.

Best regards,
