On behalf of *Viva Youth Choirs Society of Victoria*, I would like to thank you for supporting the Society's fall 2013 Operating Grant Application for our 2014/2015 operational year. All of us at *Viva* appreciate the careful consideration you have given our application, and the grant monies that have been recommended.

Viva Youth Choirs will be continuing to work diligently over the next year to increase the number of children in the choir, expand programming and continue to provide excellent choral instruction and performance opportunities to Victoria's youth.

Thank you again for your support.

Sincerely,

Diane McWilliams
General Manager
Viva Youth Choirs Society of Victoria

P.S. I have enclosed two complimentary tickets to our upcoming concert, Saturday afternoon, December 14th if a CRD representative is able to join us for our "Winter Sparkles" concert.
