Thanks Heather,

I didn't have a contact as I submitted the report online, so I appreciate the opportunity to apologize for being a little late in sending the report in.

Lindsay Beal had a really positive response to the pilot program and we have been able to put it into her overall outreach program for 2014. This is really important to us and especially to the individuals in the community benefitting from this wellness experience. Your CRD grants and this CRD Arts Development Service makes a difference in our local lives. It offers opportunities to try out ideas...brilliant!

Kind Regards  
Barb
