Dear CRD Arts Advisory Council and Arts Committee,

We recently received news of our approval for a Project Grant for \$8000.00 to carry out our 2015 season.

We wish to express our utmost gratitude to you for considering and recognizing Bounce Performance Works Society.

It is with great excitement that we venture into the project, and we eagerly look forward to contributing to our community through the performing arts.

Thank you for your commitment to our arts community.

Sincerely,

Treena Stubel
