SUBJECT  Beacon Community Services Expansion Major Project Funding Request

ISSUE

Approval of a Capital Regional Hospital District (CRHD) $1,350,000 Capital Expenditure and Borrowing Bylaw is required for Island Health to proceed with the $4,500,000 Beacon Community Services Expansion capital project and provide a letter of support to designate the identified sites as health facilities under the Hospital District Act.

BACKGROUND

The Province has provided direction to pursue integrated team-based care and expansion of the neighbourhood model of care across the entire health authority. The neighbourhood delivery model includes better integration between community health workers and the rest of the community care team, providing improved health outcomes and better client and care team experiences. Therefore, Island Health funded home support services currently delivered by Beacon Community Services are transitioning to the health authority by October 31, 2019. This is already the delivery method in Central and North Island communities.

Table 1 identifies the sites for transition to Island Health.

To ensure sufficient space for effective service delivery, renovations will be required to existing and newly leased sites. With the exception of Lady Minto Hospital, Saanich Peninsula Health Unit and Oak Bay/Gordon Head Health Unit as these sites already have a health designation, Island Health is also requesting support for the designation of these sites as health facilities under the Hospital District Act.

A Bylaw (Appendix A) authorizing the Hospital District’s capital contribution is required in order to authorize the CRHD’s capital contribution of $1,350,000 which is 30% of the total capital budget of $4,500,000. A request for a letter of support to have the facilities designated under the Hospital District Act was also received and a draft letter of support is attached as Appendix B.

ALTERNATIVES

Alternative 1:

That the Hospitals and Housing Committee recommends to the Capital Regional Hospital District (CRHD) Board:

a. That CRHD funding in the amount of $1,350,000 be approved for the Beacon Community Services Expansion project.
b. That CRHD Bylaw No. 399, “Capital Regional Hospital District Capital Bylaw No. 175, 2019” (for a maximum of $1,350,000) be introduced and read a first, second, and third time;

c. That Bylaw No. 399 be adopted; and

d. That CRHD provide Island Health a letter of support to designate the identified sites as health facilities under Section 49 of the Hospital District Act.

Alternative 2:

That this report be referred back to staff for further information based on Hospitals and Housing Committee direction.

FINANCIAL IMPLICATIONS

Total project funding for the Beacon Community Services Expansion Project, in the amount of $4,500,000 is included in the 2020-2029 Capital Plan being brought forward for approval to the CRHD Board on October 9, 2019.

CRHD’s share of $1,350,000 would be debt financed through the Municipal Finance Authority (MFA). The posted indicative rate for long-term (5-year) borrowing, as at September 5, 2019 is 1.85%. As the anticipated financing for Beacon Community Services Expansion Project is Spring 2020, a conservative rate of 2.50% with an amortization period of five years was modelled, resulting in an annual impact of $288,029. Table 2 summarizes the estimated average annual cost per household to service the cost of the incremental borrowing.

The Beacon Community Services Expansion capital budget will be cost shared with the Ministry of Health/Island Health, with CRHD contributing 30% capital for the project.

CONCLUSION

The Beacon Community Services Expansion project addresses the transition of Island Health funded home support services to the health authority. The Beacon Community Services Expansion project is included in the 2020-2029 CRHD Capital Plan. A letter of support is also requested in order to support the designation of the identified sites as health facilities under the Hospital District Act.
RECOMMENDATIONS

That the Hospitals and Housing Committee recommends to the Capital Regional Hospital District (CRHD) Board:

a. That CRHD funding in the amount of $1,350,000 be approved for the Beacon Community Services Expansion project.

b. That CRHD Bylaw No. 399, “Capital Regional Hospital District Capital Bylaw No. 175, 2019” (for a maximum of $1,350,000) be introduced and read a first, second, and third time;

c. That Bylaw No. 399 be adopted; and

Re: Beacon Community Services Project  
Request for Designation of Health Units

On behalf of the Board of Directors of the Capital Regional Hospital District (CRHD), I am writing to express the Board’s support of Island Health to have Beacon Community Services Project sites designated as health facilities under Section 49 of the Hospital District Act.

- Pender Island Health Unit – 5715 Canal Road, Pender Island  
- Salt Spring Island Public Health Services – Unit 150, 160 Fulford-Ganges Road, SSI  
- Esquimalt/Westshore Home Health – 940 Goldstream Avenue, Victoria  
- Saanich Community Health Unit – Unit 100, 130, 150, 170 - 4396 West Saanich Road, Victoria  
- Victoria Health Unit – 1947 Cook Street, Victoria

The integration of home support services at Beacon Community Services into Island Health will provide better client and care team experience for improved health outcomes. Health units promote efficient use of resources, technologies and systems and expand the neighbourhood model of care across the entire health authority, providing greater effectiveness in care delivery and continuity of care.

This is an important project for the community and the Board fully supports Island Health’s request to have the Beacon Community Services Project sites designated as health facilities.

Sincerely,

Denise Blackwell, Chair  
Capital Regional Hospital District
