

**Motions for Which Notice Has Been Given**

**a) Motion from Director Lucas**

During the Joint Core Area Liquid Waste Management Committee and Environmental Sustainability Committee meeting of October 27, 2010, the following motion was made by Director Lucas and referred to the Core Area Liquid Waste Management Committee.

MOVED by Director Lucas

1. that, in order to maintain a safe supply of compost for agricultural purposes on southern Vancouver Island, that the Core Area Liquid Waste Management Committee incorporate the goal of separating kitchen waste for composting and eventual agricultural use as part of our overall waste strategy; and
2. that CRD staff further investigate the potential benefits of waste to energy in regards to environmental impact, financial cost-savings and reduction of overall footprint, including gasification and potential opportunity to remove bio-digesters from overall sewage strategy.
