Subject: Board of Variance meeting today

Hello June, I hope it's not too late to submit my input for the Board of Variance meeting about Margaret Frang's roof. I am most certainly in support of this permit. I cannot see how there could be any objection to someone needing to replace their roof. In fact I don't exactly know why a board of variance is required. I won't be able to attend the meeting, but hopefully Nick can. At any rate I would like my support to be noted. Thank you,
Heidi Young
