To Whom It May Concern:

We are writing in support of the application for a variance of my neighbour, Moira Mulligan, for the property at 7335 Pacheena Road in Port Renfrew.

We understand this application is a preliminary step to their request for a building permit. They have advised us of this and showed us the plans for the renovation of their current residence. We feel it can only positively influence the value of the adjacent properties.

If you have any questions, feel free to call us at

Sincerely yours,

T. Mawson
