Mayors and Chair of the Juan de Fuca Land Use Committee

RE: Regional Growth Strategy Hardcopy for Reference

Further to the letter sent by Capital Regional District (CRD) Board Chair Barbara Desjardins, please find enclosed a hard copy of Bylaw No. 4017 "Capital Regional District Regional Growth Strategy Bylaw No. 1, 2016". Bylaw No. 4017 was given first and second reading on July 13, 2016.

Please note that further changes to the bylaw document may be forthcoming. On September 21, 2016, the Planning, Transportation and Protective Services Committee passed a motion to recommend that the Board revise the RGS so as to expand the extent of the RGS *Renewable Resources Lands Policy Area* shown in Map 3: Growth Management Concept Plan in the community of Shirley-Jordan River. This proposed revision is the outcome of the Shirley-Jordan River Official Community Plan (OCP) process. For more detail, a copy of the staff report is available on the CRD website under Agendas & Minutes > Planning, Transportation and Protective Services Committee. The revision is included as an attachment with the hard copy RGS, for your information.

The Board will consider this recommendation at its October 12, 2016 committee meeting, and could give first and second reading to an updated RGS Bylaw 4017 reflecting the change at that time. There will be an ability to comment on the change at the October 19, 2016 public hearing. Please contact me by email at sbagh@crd.bc.ca or 250-360-3244 should you have any questions.

Yours truly,

Signe Bagh, MCIP, RPP
Senior Manager, Regional and Strategic Planning
