**Subject:** 8418 West Coast Road File: DV000054 Development Permit with Variance Application

Dear Mr. Iain Lawrence,

We are submitting this email to be included for consideration at tonight's meeting.

Re: 8418 West Coast Road File: DV000054 Development Permit with Variance Application

We are not in opposition to the request for variance.

We would hope a nice house with landscaped yard will be created next door to our property at 8400 West Coast Road to replace the devastation left by the removal of forest which used to cover the subject property next to our home.

Although we have lost privacy and road noise has been significantly increased, our ocean view has been expanded.

We do not wish to lose any of this ocean view and request that approval of variance include the requirement of a 75-150 metre setback from the road for any buildings to be built on the subject property – proposed lot 2.

Sincerely,

Constance D. Isherwood, QC
