6. New Business:

- I. Jerry W reported that the MIPRC will again provide ice-cream and toppings for the participants in the annual Terry Fox Run to be held September 15.
- II. With Peter going away, Jerry W volunteered to author the next "Notes from the Park Bench" column for the MayneLiner.

7. Treasurer's Report: Jerry W presented his financial report for the period ending September 11, 2013. It was a quiet month with only one large expenditure of \$16,575 representing funds committed so far to purchase recreation services. Cal inquired as to the disposition of unused operating funds at year-end. Jerry W explained that with the assistance of CRD staff he can usually arrange to have these monies carried forward into the next fiscal year by having the total transferred to uncommitted Capital Funds for major projects. **Moved** by Peter, seconded by Bill, that the report be accepted as presented. Motion Carried.

8. Park Reports:

- I. Dinner Bay Park - no report.
- II. Japanese Garden report from Liz - the Garden is doing well and donations are continuing to be received in generous amounts.
- III. Miner's Bay Park report from Bill - new nuts have been placed on the support posts for the Bandstand roof and tightened to the point it will be difficult for anyone to remove them. With the grass being dormant not much maintenance has been necessary. The Pat Campbell memorial bench is not yet installed but the location has been chosen. A new key has been cut for the Library basement door so we now have a spare.
- IV. Henderson Park / Trail Network report from Peter and Bill - the Scotch Broom clearing initiative along the base of Henderson Hill in Henderson Park is 80% complete. It is a relief to get this extreme fire-load under control. Additionally, new non-slip galvanized steel mesh has been installed on the stairways in Henderson Park and at the Neil Road viewpoint stairway. This leaves the Plumper Pass stairway and the one at Dinner Bay Park still to be done. The Trail Guardians are doing a superb job in keeping brush under control.
- V. Village Bay Park report from Cal - the Park has been tidied up and all is good with the exception of the pit toilet. Cal feels that the time is ripe for a pump-out. It was agreed that Gulf Island Tank Services will be asked to look after this along with the Pit Toilet at Henderson Park.

9. Adjourn: **Moved** by Bill, seconded by Veronica, to adjourn the meeting at 4:15 pm. Motion carried.

The next meeting will be held at 3:15 pm on Wednesday, October 9 at the Library.
