I offer the following comment.

I am concerned that park dedication occur to support the establishment of a trail to connect to the Wieland Road right of way so as to further an Otter Point Trail System contemplated by the JDFEA Parks and Recreation Advisory Commission. Such park and trail opportunities are supported by Otter Point OCP, section 5.1(15):

"An inter-connected network of trails through the plan area linking community parks and trails, access to water and to District of Sooke. Key trails would provide access linking William Simmons Memorial Park.....",

as noted.

Any other comments I may have will be informed by community input.

Thank you

Sid Jorna, member
Otter Point APC.
Chair, JDFEA Parks and Recreation Advisory Commission.
