

**KEY DECISIONS**

Key decisions required by the Planning, Transportation and Protective Services Committee (committee) to recommend final Terms of Reference (ToR) to the Board include:

- Whether committee concurs with the citizens' group-based approach to the Regional Deer Management Strategy (RDMS) set out in the ToR;
- Selection of citizens' group composition between:
  - Citizens' group composed of lay members plus one alternate director and a director as chair, or
  - Citizens' group composed entirely of lay members, with appointment of a chair from the membership;
- Whether the RDMS includes the management options and measures set out in the ToR (Attachment 1) or if certain management options or measures should be eliminated;
- Whether the committee agrees with the proposed Communications and Consultations strategy outlined in the ToR, and the option to carry out the statistical survey or committee provides alternate direction regarding communications and consultations;
- Concurrence with the proposed single supplementary to the Regional Planning 2012 budget of:
  - \$20,000 if only the online campaign is used for communications and consultations, or
  - \$40,000 for the online campaign and statistical survey.

Report alternatives are framed accordingly.
