

Making a difference...together

**REPORT TO SAANICH PENINSULA WASTEWATER COMMISSION
MEETING OF THURSDAY 18 NOVEMBER 2010**

SUBJECT **SAANICH PENINSULA WASTEWATER TREATMENT PLANT – BIOSOLIDS
MANAGEMENT PROGRAM INFORMATION REPORT TO ENVIRONMENTAL
SUSTAINABILITY COMMITTEE**

ISSUE

To provide the Saanich Peninsula Wastewater Commission (SPWWC) with information regarding a request to staff from the Environmental Sustainability Committee (ESC) for information on the Saanich Peninsula Wastewater Treatment Plant (SPWWTP) biosolids management program.

BACKGROUND

At the meeting of 26 May 2010, the ESC requested that staff provide the following information on the SPWWTP biosolids management program:

1. Annual cost of processing and marketing of material.
2. Annual amount of distribution and where it is going.
3. Details on the regulatory and education process.
4. Information on public awareness and support for the program.
5. Balanced information on environmental and public health concerns, and legal liability associated with the PenGrow program.

Appendix A provides the information staff report which will be presented to the ESC at their meeting agenda on 24 November 2010.

FINANCIAL IMPLICATIONS

Not applicable.

SUMMARY

Not applicable.

RECOMMENDATION

That the Saanich Peninsula Wastewater Commission receive this report for information.

Ted Robbins
Senior Manager, Water Management

Dan Telford, PEng
Senior Manager, Environmental Engineering
