**REPORT TO SOOKE AND ELECTORAL AREA PARKS AND RECREATION COMMISSION
MEETING OF TUESDAY, APRIL 05, 2022**

SUBJECT Policy Review

ISSUE SUMMARY

To revise the Sooke and Electoral Area Parks and Recreation Commission policy for the Leisure Involvement for Everyone (LIFE) program

BACKGROUND

The structure of the present policy was established in 1996/1997. Since that time, periodical revisions of the policies have been approved by the Commission.

The policies listed below require minor revision:

Recreation:

R – 100.1 LIFE (Leisure Involvement for Everyone) Program:

- Updated to reflect current terminology
- Updated to reflect current procedures
- Inclusion of Option B: 50% off Annual SEAPARC Pass or Annual Regional Pass

CONCLUSION

The following policy be revised:

- Recreation:
A-100.1 LIFE (Leisure Involvement for Everyone) Program

RECOMMENDATION

That the Sooke and Electoral Area Parks and Recreation Commission approve the revision of policy R-100.1 LIFE (Leisure Involvement for Everyone) Program.

Appendix A: Proposed LIFE (Leisure Involvement for Everyone) Program

SOOKE AND ELECTORAL AREA PARKS AND RECREATION COMMISSION

SECTION: R-100
POLICY NO.: R – 100.1

SUBJECT: RECREATION – LIFE (Leisure Involvement for Everyone) Program

1. A regional initiative supported by the Greater Victoria Active Communities recreation departments to provide no cost and low-cost recreation opportunities for individuals and families on limited incomes.
2. The Sooke and Electoral Area Parks and Recreation Commission will provide persons who reside in the Sooke and Juan de Fuca Electoral Area and within the Commission jurisdiction, that are living on limited income, options for affordable recreational services to support healthy lifestyles. The LIFE program is designed to address barriers to recreation participation and incorporates a range of leisure choices through free admission passes and/or reduced fees on registered programs and active passes.
3. Sustainable recreation activity is important for an individual to achieve and maintain a healthy active lifestyle. There are members of our community who will derive benefits from recreational opportunities, but cannot participate due to limited financial resources. SEAPARC is committed to the ideals of providing leisure opportunities for all persons, participation with dignity, choices and service accessibility. The LIFE program is a long-term commitment on the part of SEAPARC so that individuals and families on limited incomes in Sooke and the Juan de Fuca Electoral Area within the Commission's jurisdiction may experience the positive benefits of recreational choices. The Commission's goal is to influence attitudes as well as help individuals adopt healthy lifestyles.

PROCEDURE:

1. Communicate policy to the general public through vehicles such as the SEAPARC website and Facebook page, program activity guides and presentations to a variety of community social service agencies, schools and community groups.
2. LIFE application forms are available at SEAPARC and on the SEAPARC website.
3. SEAPARC staff administer the LIFE program which includes statistical tracking, communication with LIFE clients as well as the establishment and implementation of program guidelines.
4. SEAPARC staff shall follow up on reports on possible fraud, particularly on the fee reduction component of the program. LIFE clients defrauding the system will have their recreation services access privileges revoked.
5. LIFE participants are offered the following fee reductions:

Option A: Fifty-two (52) drop-in admissions to drop-in programs at all Greater Victoria municipal/regional recreation centres & 4 registered program discounts

SOOKE AND ELECTORAL AREA PARKS AND RECREATION COMMISSION

Option B: 50% off Annual SEAPARC Pass or Annual Regional Pass

6. The LIFE program eligibility criteria is based on verification of residency in Sooke and the Juan de Fuca Electoral Area within the Commission jurisdiction and economic status. In addition to proof of residency, citizens who apply for LIFE must provide proof of income that their total combined gross family income is within or below the low income threshold range as indicated in the most current Statistics Canada's Low Income Thresholds tables. All applications must be accompanied by a copy of the latest Notice of Assessment from Revenue Canada for each adult living in the household.
7. Upon approval, each member of the family is issued a membership pass in their SEAPARC account. Those who would like to use their LIFE pass at other regional recreation centres are issued a card bearing their photo. Stickers are affixed to the back of their card to track complimentary visits and seasonal program/pass discounts, when used at other centres.
8. Post-secondary students are not eligible for the LIFE program.

**REPORT TO SOOKE AND ELECTORAL AREA PARKS AND RECREATION COMMISSION
MEETING OF TUESDAY, APRIL 05, 2022**

SUBJECT Programs Services, Administration and Operations Update

ISSUE SUMMARY

To provide the Commission with an update on SEAPARC programs and services.

BACKGROUND

PROGRAM SERVICES

The Provincial Health Order was updated on March 11, 2022. Masks are no longer required in indoor public spaces. Staff are anticipating the next update to the health order on April 8, which will remove the requirement to show proof of vaccine for access to recreation centres. Advanced reservation and online payment options have been removed for all drop-in pool sessions. The public can scan their active pass or pay the drop-in fee when they arrive. Advanced reservation will continue to be available for all aquatic fitness, swim fit and dryland fitness classes due to some classes having a limited capacity.

Pass sales are off to a strong start for 2022 with over \$72,000 in sales as of March 23.

Community Recreation and Arena Programs

Arena programs are now finished for the season, and staff are preparing for spring programs to begin. Two weeks of spring break camps were held with 18 youth registered each day. Registration for summer camps begins April 13.

Weight Room and Fitness Programs

The weight room and fitness programs are operating as scheduled. Additional classes have been added to ensure a full complement of classes to suit a wide range of interests and abilities. Participation in personal training and youth weight room orientations have increased.

Aquatics

Capacity limits have returned to normal operating levels. The hours of operation for the pool have increased on weekends and will continue to increase when possible. The current schedule provides a wide variety of times for all users to attend the pool and includes early afternoon day time options for school groups through the end of the school year.

The Rotary Club of Sooke has agreed to sponsor an upcoming National Lifeguard course by covering part of the registration costs for youth that apply for sponsorship and are accepted into the program. The program fee will be waived for those that apply to attend the course. The Lions Club has committed to sponsoring swim instructor training for youth, including training manuals at an upcoming course later this year.

ADMINISTRATION

Golf Course

The golf course opened March 17 with 48 season passes sold within the first week (26 in 2021).

Bike Park

Repairs are now complete and the park is scheduled to open mid-April.

Sport Box

SEAPARC staff are currently working on operational plans to prepare for a spring 2022 opening. The District of Sooke will provide notification of the anticipated date that the concrete slab will be poured and information on the grand opening.

OPERATIONS

VIHA Vaccination Clinic

The vaccination clinic is scheduled to close on April 26 with the lease terminated on May 16. It is currently open 11am- 7pm, Friday and Saturday.

Pool Chlorination System

The pool chlorination system replacement procurement process is complete and a Notice of Award has been issued to Automated Aquatics. The quote provided from Automated Aquatics is within budget and in compliance with all tender requirements. Staff are currently finalizing contract details and timeline.

IMPLICATIONS

Social Implications

The benefits of recreation are far reaching and are essential to a healthy community. SEAPARC continues to provide and adapt programs and activities that provide participants opportunities to be active within their community with a gradual return to normal operations.

Financial Implications

As Provincial Health Order regulations are gradually lifted and more facility space is available, staff will continue to monitor and adapt services to ensure fiscal responsibility and move towards normal financial outcomes.

Service Delivery Implications

SEAPARC operations have returned to regular drop-in access and pool hours have expanded for spring. April 8 is the anticipated removal of the proof of vaccination requirement which will reduce the work required of frontline staff.

CONCLUSION

SEAPARC continues to monitor and adjust operations in response to current health restrictions, changing regulations and facility availability.

RECOMMENDATION

That the Sooke and Electoral Area Parks and Recreation Commission receive this report for information.

REPORT TO SOOKE AND ELECTORAL AREA PARKS AND RECREATION COMMISSION MEETING OF TUESDAY, APRIL 05, 2022

SUBJECT 2022/23 Fees and Charges – SEAPARC

PURPOSE

To provide the SEAPARC with recommendations for the 2022/2023 Recreation Services and Facilities Fees and Charges Bylaw, effective September 1, 2022.

BACKGROUND

Each year, all Capital Regional District (CRD) recreation centres are required to review and analyze their fees and charges and recommend any changes for approval by the CRD Board.

The annual process for reviewing Fees and Charges includes consideration of:

- Past and actual budgeted expenses and revenues
- Activity and usage levels
- Recognition of desired recovery rates and operational deficits
- Operational assumptions regarding access, facility enhancements and recovery
- Fees and charges at other municipal recreation departments
- Previous year's fee increases
- Economic times
- Discussions with key user groups

The primary consideration in the review of recreation fees and charges is to find a balance between fiscal accountability, access to recreation services, and the marketplace.

The review process is also consistent with Sooke and Electoral Area Parks and Recreation Commission's (SEAPARC) Fees and Charges Policy:

- Fees should be based on recovery of direct costs
- Fees should encourage maximum public participation and minimize, within reason, the tax subsidy
- Registrants should be responsible for financially contributing to their recreation activity
- Fees for youth and children should be lower than those for adults and seniors, whenever possible
- Fees for commercial users should be more than they are for adult users
- Fees for non-prime time use should be discounted

Proposed Fees and Charges Adjustments and Changes

- *Annual pass option adjustment:* The current fees & charges provide an annual pass rate for adults/seniors/students (\$465), as well as a Lifestyle Pass option (\$400). The intent of the Lifestyle Pass was to provide a lower cost pass option with some additional restrictions that reduced administrative staff time (no refunds/changes, no monthly payments) however the

pass options have now somewhat blended together and sales of the annual pass have been minimal. The proposed change is to remove the Lifestyle Pass but adjust the adult/senior/student annual passes to \$400/year.

- *Remove Regional Annual Pass fees:* This pass is offered throughout the region at a consistent price. To ensure that pass price changes can occur simultaneously across the region, the removal of this fee from the bylaw will ensure consistency of timing and marketing.
- *Removal of cash withdraw fee:* This fee is no longer utilized as staff are unable to provide cash back with the current registration software/POS system and the facility has an ATM to provide cash instead.
- *Implement fee for Stan Jones ball field for youth games:* To align with youth rental rates for the new sport box, staff propose introducing a fee of \$10 per youth game at the ball field. This also helps to offset the expense to maintain the field which continues to increase with costs of material, fuel and staff wages.
- *Addition of adult season pass for golf:* The adult season pass has been provided to the community for the past three years with strong uptake. The current price is \$475 which will remain unchanged for the 2022 golf season.
- *Increase in golf fees:* Given increased costs of materials, fuel and staff, there is a 2% increase proposed to existing golf course green fees for the 2023 golf season.

ALTERNATIVES

Alternative 1

That the SEAPARC recommend to the Capital Regional District Board:
That the proposed fees and charges be approved for inclusion in the 2022/2023 Fees and Charges Bylaw for SEAPARC services.

Alternative 2

That the proposed fees and charges, as amended, be approved for inclusion in the 2022/2023 Fees and Charges Bylaw for SEAPARC services.

IMPLICATIONS

Social Implications

Maintaining current admission rates and pass rates without increase will continue to make recreation accessible to community members and encourage them in a healthy lifestyle.

Economic Implications

The user fees collected by SEAPARC are used to reduce the tax requisition and for the delivery of recreation services. Recreation fees and charges continue to be reasonable and affordable for the majority of residents and visitors to this area. Given the current financial impact of the

pandemic, and increase in admission and passes, may be prohibitive to families in the post-pandemic recovery. A return of regular operations should generate sufficient revenue to meet budget targets for 2022/2023 however further pandemic impacts may increase reliance on tax requisition.

CONCLUSION

Each year the fees and charges for recreation services are re-evaluated to determine if new charges are required and if existing fees need to be adjusted. Comparing fees to other recreation centres and looking at social and economic factors, the recommendation is that most fees should remain unchanged with minor adjustments to other fees.

RECOMMENDATION

That the SEAPARC recommend to the Capital Regional District Board:
That the proposed fees and charges be approved for inclusion in the 2022/2023 Fees and Charges Bylaw for SEAPARC services.
