ADDENDUM NO. 2

to the

INVITATION TO TENDER DOCUMENTS for

OLD CRAIGFLOWER PUMP STATION DEMOLITION

CONTRACT 2019-476

To All Respondents:

May 21, 2019

The following changes, additions, and/or deletions are hereby made a part of the Contract Documents for Capital Regional District, Old Craigflower Pump Station, Contract 2019-476 as fully and completely as if the same were fully set forth therein:

1. Supplemental General Conditions

- a. **DELETE** *Schedule of Prices and Estimated Quantities* and replace with the attached *Schedule of Prices and Estimated Quantities*.

2. Question from proponents:

- a. **Where should perforating or demolishing the basement SOG shown on 2/C101 pumping of the basement on 3/102 be priced?**
Demolishing and other necessary works in association with the substructure are to be included with Item 5 of the *Schedule of Prices and Estimated Quantities*.
- b. **Where do we put on the tender form misc items like the building permit or the costs for the extensive pages of submittals listed?**
Permitting costs and miscellaneous costs associated with mobilization shall be included with Item 2. Mobilization and Demobilization.

End of addendum.

CAPITAL REGIONAL DISTRICT

Contract 2019-476 – OLD CRAIGFLOWER PUMP STATION DEMOLITION

SCHEDULE OF PRICES AND ESTIMATED QUANTITIES

For the purpose of comparison of tenders and for subsequent payment, the Tenderer shall break down the Total Tendered Amount into the following items of work. The cost of work not specifically mentioned in this Schedule but included in the Drawings and/or Specifications, either directly or by implication, are to be included in the item to which it is most applicable. The Tenderer shall refer to the Specifications and Drawings for a description of the work to be involved in each item.

SCHEDULE OF PRICES AND ESTIMATED QUANTITIES

For the purpose of comparison of bids and for subsequent payment, the Bidder shall break down his Total Bided Amount into the following items of work. The cost of work not specifically mentioned in this Schedule but included in the Drawings and/or Specifications, either directly or by implication, are to be included in the item to which it is most applicable. The Bidder shall refer to the Specifications and Drawings for a description of the work to be involved in each item.

NOTE:

1. The quantities listed in the Schedule of Prices and Estimated Quantities are approximate only and shall be used for the purpose of obtaining comparable Total Tendered Amounts only.
2. No payment of the contingency allowance shall be made unless authorized in writing by the Engineer prior to the commencement of such work. The contingency allowance shall be used for such work that is not included in the Contract Documents or Drawings and is deemed as an extra to the Contract. The Contractor shall have no claim for loss of profit or loss of anticipated revenue from this item. The contingency allowance stated in these documents must be included in the Total Tendered Amount.
