ADDENDUM NO. 1

Revise the RFP Documents as follows:

Clarification:

1. Can clarification be made around the comment below?

1.3 of the RFP Document - This is a Request for Proposal and not a tender call.

Invitation to Tenders are for procurement of construction services in accordance with the Capital Regional District Procurement Policy.

2. And answer to the question below?

Appendix A – ID3 - ISO Certification: The LIMS vendor shall be currently ISO 9001 Certified, and the software solution shall support ISO 17025 certification for laboratory with quality management tools.

Q: Can SOC2 Type II Audit and Compliance be in place of ISO 9001? The SOC2 auditing process aligns with software development and security.

ISO certification for a quality management system is required, ISO 9001 at minimum; ISO 17025 is preferred.
