

Public Alert Notification Service

Protective Services

Capital Regional District | April 2021

Privacy Notice

Personal contact information is collected by the Capital Regional District under section 26(c) of the Freedom of Information and Protection of Privacy Act for the following purposes:

- Emergency alerts in the case of a significant emergency event
- Periodic system tests
- Regional corporate emergency functional exercises (training)

Should you choose to download the Alertable app, please be aware that the CRD is not responsible for your use or the collection of personal or geo location data from this app. Please refer to the [Alertable Privacy Policy](#) for information on how Alertable collects, uses and discloses your personal information. The Alertable app is not necessary to receive emergency notification alerts from the CRD, registration on the PEASI dashboard is sufficient to receive test, phone and/or email notifications. If you wish to unregister from PEASI you can do so at <https://alertable.ca/signup/index.html?site=BC7#alertMessage> or email customerservice@peasi.com

Should you have any questions about the use of your personal information, please contact:
