

FREE EVENT

April 17th, 2018 | 5-7PM

SHOAL Centre 10030 Resthaven Dr, Sidney, BC

*OceanCanada and WWF-Canada
invite you to:*

CONSERVING OUR SHORELINES

CREATING SOLUTIONS THROUGH COLLABORATION

The shorelines are dynamic environmental, social and economic spaces in British Columbia. With a lens on the Saanich Peninsula, join us as we explore success stories, partnerships, and ways forward.

RSVP to Anne Marie
a.goodfellow@oceans.ubc.ca

Speaker session and panel discussion.

Lights snacks and refreshment provided.

See website for more information.

www.oceancanada.org/ocp-events/

WWF-Canada is a formal research partner of the OceanCanada Partnership – this partnership aims to understand and address threats facing Canada's Arctic, Atlantic and Pacific coastal-ocean regions and seek opportunities to develop a shared vision for the future of our oceans.

Venue was generously provided by the
Capital Regional District
