The GWI presents a **free public talk:**

Before Green Shores-led restoration.

After Green Shores-led restoration.

Green Shores Sustainable Shoreline Development

Learn more about this cost-effective, incentive-based program to restore natural shorelines, improve wildlife habitat and help reduce erosion and flooding.

- Speaker:** Brian Emmett, *marine biologist and co-developer of Green Shores program*
- Date:** **Tuesday, April 3, 2018**
- Time:** 7:30PM (doors open at 7PM)
- Location:** CRD Headquarters, 625 Fisgard Street, Commons Room (next to Starbucks in Centennial Square)

Refreshments will be served. Admission is free but seating is limited.

To reserve your spot, please email info@gorgewaterway.ca or call 250.360.3299.
