Dear Minister Trevena:

RE: SOUTH ISLAND TRANSPORTATION STRATEGY

Further to my letter of February 26, 2019, I write on behalf of the Capital Regional District (CRD) Board to reiterate the CRD's interest in actively participating in the development of the South Island Transportation Strategy (Strategy).

Since that time a representative from your office at the Ministry of Transportation and Infrastructure attended the April 24, 2019 CRD Transportation Committee meeting and gave a presentation on the Multi-modal Transportation Plan. Arising from discussions after that presentation, the following Resolutions were made at the April CRD Board meeting:

1. *That Board Chair Plant contact Minister Trevena to request a scope change to include a governance model under the South Island Transportation Strategy Plan.*
2. *That Board Chair Plant contact Minister Trevena to request a scope change to include the Electoral Areas in the South Island Transportation Strategy Plan.*

I would appreciate the opportunity to schedule a follow up phone call with you to discuss this matter further. Please ask your staff to contact Carolyn Jenkinson, Manager, Executive Services at cjenkinson@crd.bc.ca to arrange a suitable date.

Sincerely,

Colin Plant
Chair, Capital Regional District Board
