14 weeks available online in Summer/Fall 2018

Would you support the extension of the Regional Parks Land Acquisition Fund for another 10 years?

2018 Online Fund Survey

Data **not** statistically valid and **not** representative of CRD

2017 Mail Out Residential Survey

Data statistically valid and representative of CRD (95% confidence level)

Top 3 priorities for the next 5 years

1) Acquire more land

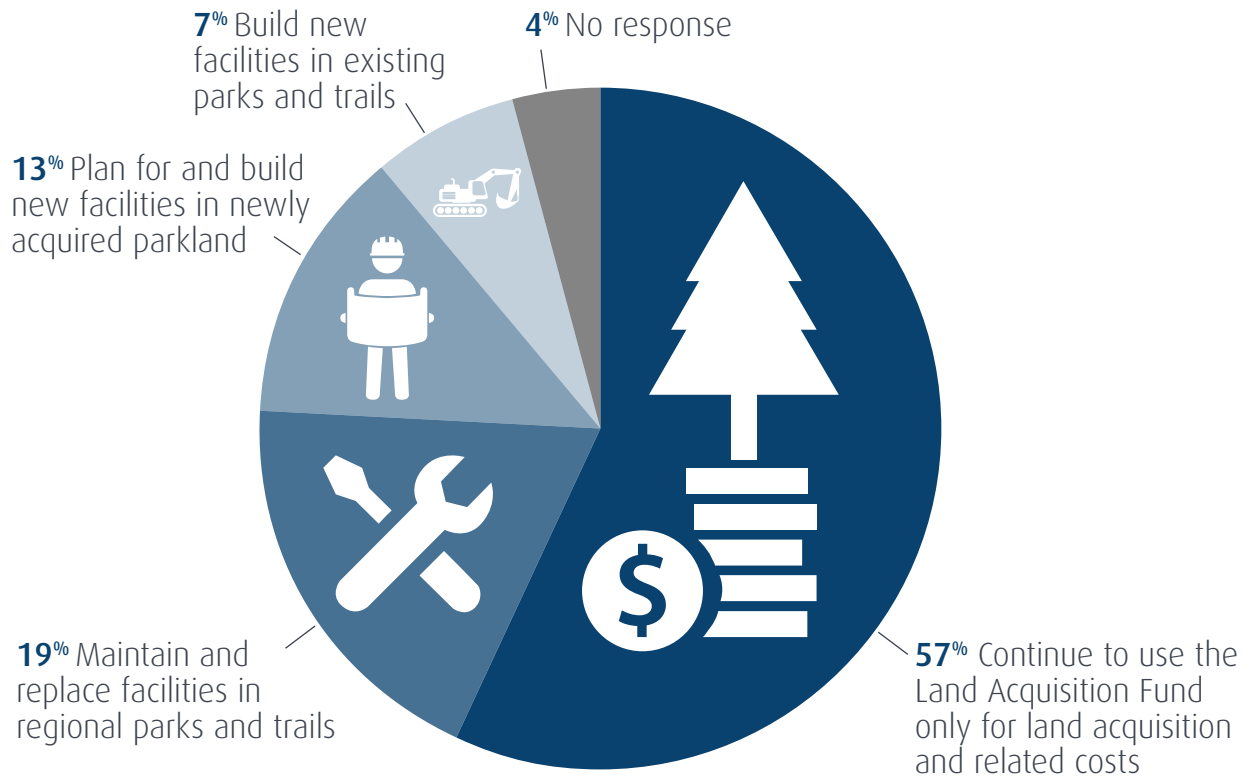

2) Protect natural environments and species

3) Restore and conserve natural environments and species

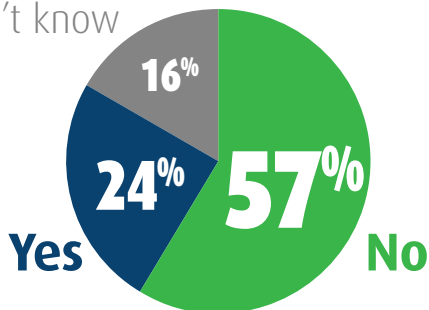

How should the Land Acquisition Fund be used?

Is enough land set aside for conservation and recreation?

Don't know

60% in favour of buying land only for conservation

77% in favour of buying land even if there is no public access for many years
