

Leisure Assistant's Pass Information & Application

Information

The Leisure Assistant's Pass is for people with disabilities, of all ages, who require the assistance of a support person for leisure activities. Upon presentation of the Leisure Assistant's Pass at a participating venue, one support person will be given free or reduced admission. The intention is to facilitate participation, while ensuring the person with a disability does not pay double for their admission.

Passes are valid for 3 years from the date of issue. As support persons may change, the Leisure Assistant's Pass will be issued to the person with a disability.

Terms of Use

In recognizing that an individual may be independent in one environment and not in another, the expectation is that pass holders will only use their Leisure Assistant's Pass at venues where assistance is required. Within the venue, persons with a disability and assistants are expected to stay together. Misuse or abuse of the pass could result in termination of it and its privileges.
