Safety Plan and Rules for Pool Use

To maintain the safety of patrons and staff and prevent the spread of COVID-19, pool use will look different upon re-opening. This includes the requirement for all participants to reserve their 1 hour time slot in advance. Reservations allow us to ensure physical distancing is maintained and provide time for staff to perform additional cleaning.

Limited sessions will begin August 26, with additional options available starting September 8. **Reservations open at 12pm on Fridays for the following week.**

As with all programs and services:

- **Stay home** if you are sick, have traveled out of the province in the past 14 days or if someone in your household is sick
- Wash or sanitize your hands before and after your visit
- Follow physical distancing – stay 2 metres apart (no congregating)
- Cover your cough and sneeze into your sleeve or tissue

Before your pool visit

- Reservations required. No drop-ins permitted at this time
- Please come “swim ready” dressed in your swim suit and limit the amount of accessories/items you bring to the pool area. Please be prepared to remove shoes on arrival. Lockers will not be available for use. You will have a basket provided as you enter to store your personal items in
- Change rooms and shower will be available but limited due to occupancy limitations. Change times will be limited to allow adequate cleaning and sanitization between pool reservation times.
- Your registration limits you to the time slot and pool space noted on your reservation. The time has been allocated to facilitate enhanced cleaning and sanitization of equipment, change rooms and high touch surfaces
- Bring your own water bottle. No drinking fountains will be available on the pool deck
- No spectators will be permitted

Arriving at Panorama

- Queue outside the facility at the distanced markers in the north parking lot (parking lot with the playground) to enter at door 33 (behind the water slide)
- Everyone must hand sanitize and have a quick cleansing shower on deck before using the pool
- Please maintain distance of 2 metres from other patrons and staff
- Hot tub, sauna and steam room are closed
- Snorkels are prohibited

- Goggles are encouraged
- Do not spit or blow nose in the water
- Participants should not share equipment
- Patrons in need of assistance due to physical limitations must receive help from a family member

After your pool visit

- Showers are limited to a quick rinse only. All personal grooming must be done at home.
- In order to maintain occupancy limit, everyone must move as quickly as possible through the change rooms
- Please exit through change rooms or through viewing area to exits

Rules are subject to change and will be updated as needed. Those disregarding rules may be asked to leave the facility.
