

## **TO ALL PARK USE PERMIT APPLICANTS:**

Regional Parks manages all activities and uses within regional parks and trails, many of which require a park use permit. The goal of the park use permit system is to control and manage special uses within regional parks to minimize the impact on the natural environment, park users, park operations and facilities.

A park use permit is required for the following:

- Anyone who intends to hold a commercial or non-commercial activity or event that attracts participants and spectators, and includes, but is not limited to a festival, competition, tournament, show or outdoor ceremony within a regional park or trail.
- Anyone who intends to provide a commercial service within a regional park or trail. This includes commercial dog walking and training.
- Anyone who intends to carry out research work such as specimen collections, surveys, inventories and monitoring plots within a regional park or trail.
- Anyone who requires temporary land use/occupancy or access to a regional park or trail for such purposes as accessing a private property, public utility, corridor or works.
- Anyone who intends to carry on, with the intent of monetary return, commercial filming using still or motion photography.

To apply for a park use permit, the following is required:

- Completion of a park use permit application form (copy attached).
- Submission of a signed copy of the release and indemnification form (copy attached).

A park use permit will be issued when:

- Proof of a comprehensive general liability insurance policy (see fee and insurance schedules attached) has been submitted.
- The permit application has been approved by Regional Parks.
- The non-refundable permit fee has been received (see fee schedule attached).
- The refundable security deposit has been received if required (see fee schedule attached).

Please complete the park use permit application form and submit with the required documentation to Regional Parks for permit processing. If you have any questions, contact Jeanette Mollin at [jmollin@crd.bc.ca](mailto:jmollin@crd.bc.ca) or 250.360.3341.
