# Trail Etiquette

Regional trails are multi-use, which means that all those who can safely walk, pedal or wheel are welcome.

## Remember to:

- ✓ keep to the right
- ✓ yield to pedestrians
- ✓ mind your speed
- ✓ alert others before passing
- ✓ keep dogs on leash
- ✓ respect the environment

Whether you  
use regional  
trails for active  
transportation,  
recreation or  
commuting,  
**there is  
always time  
to be kind.**

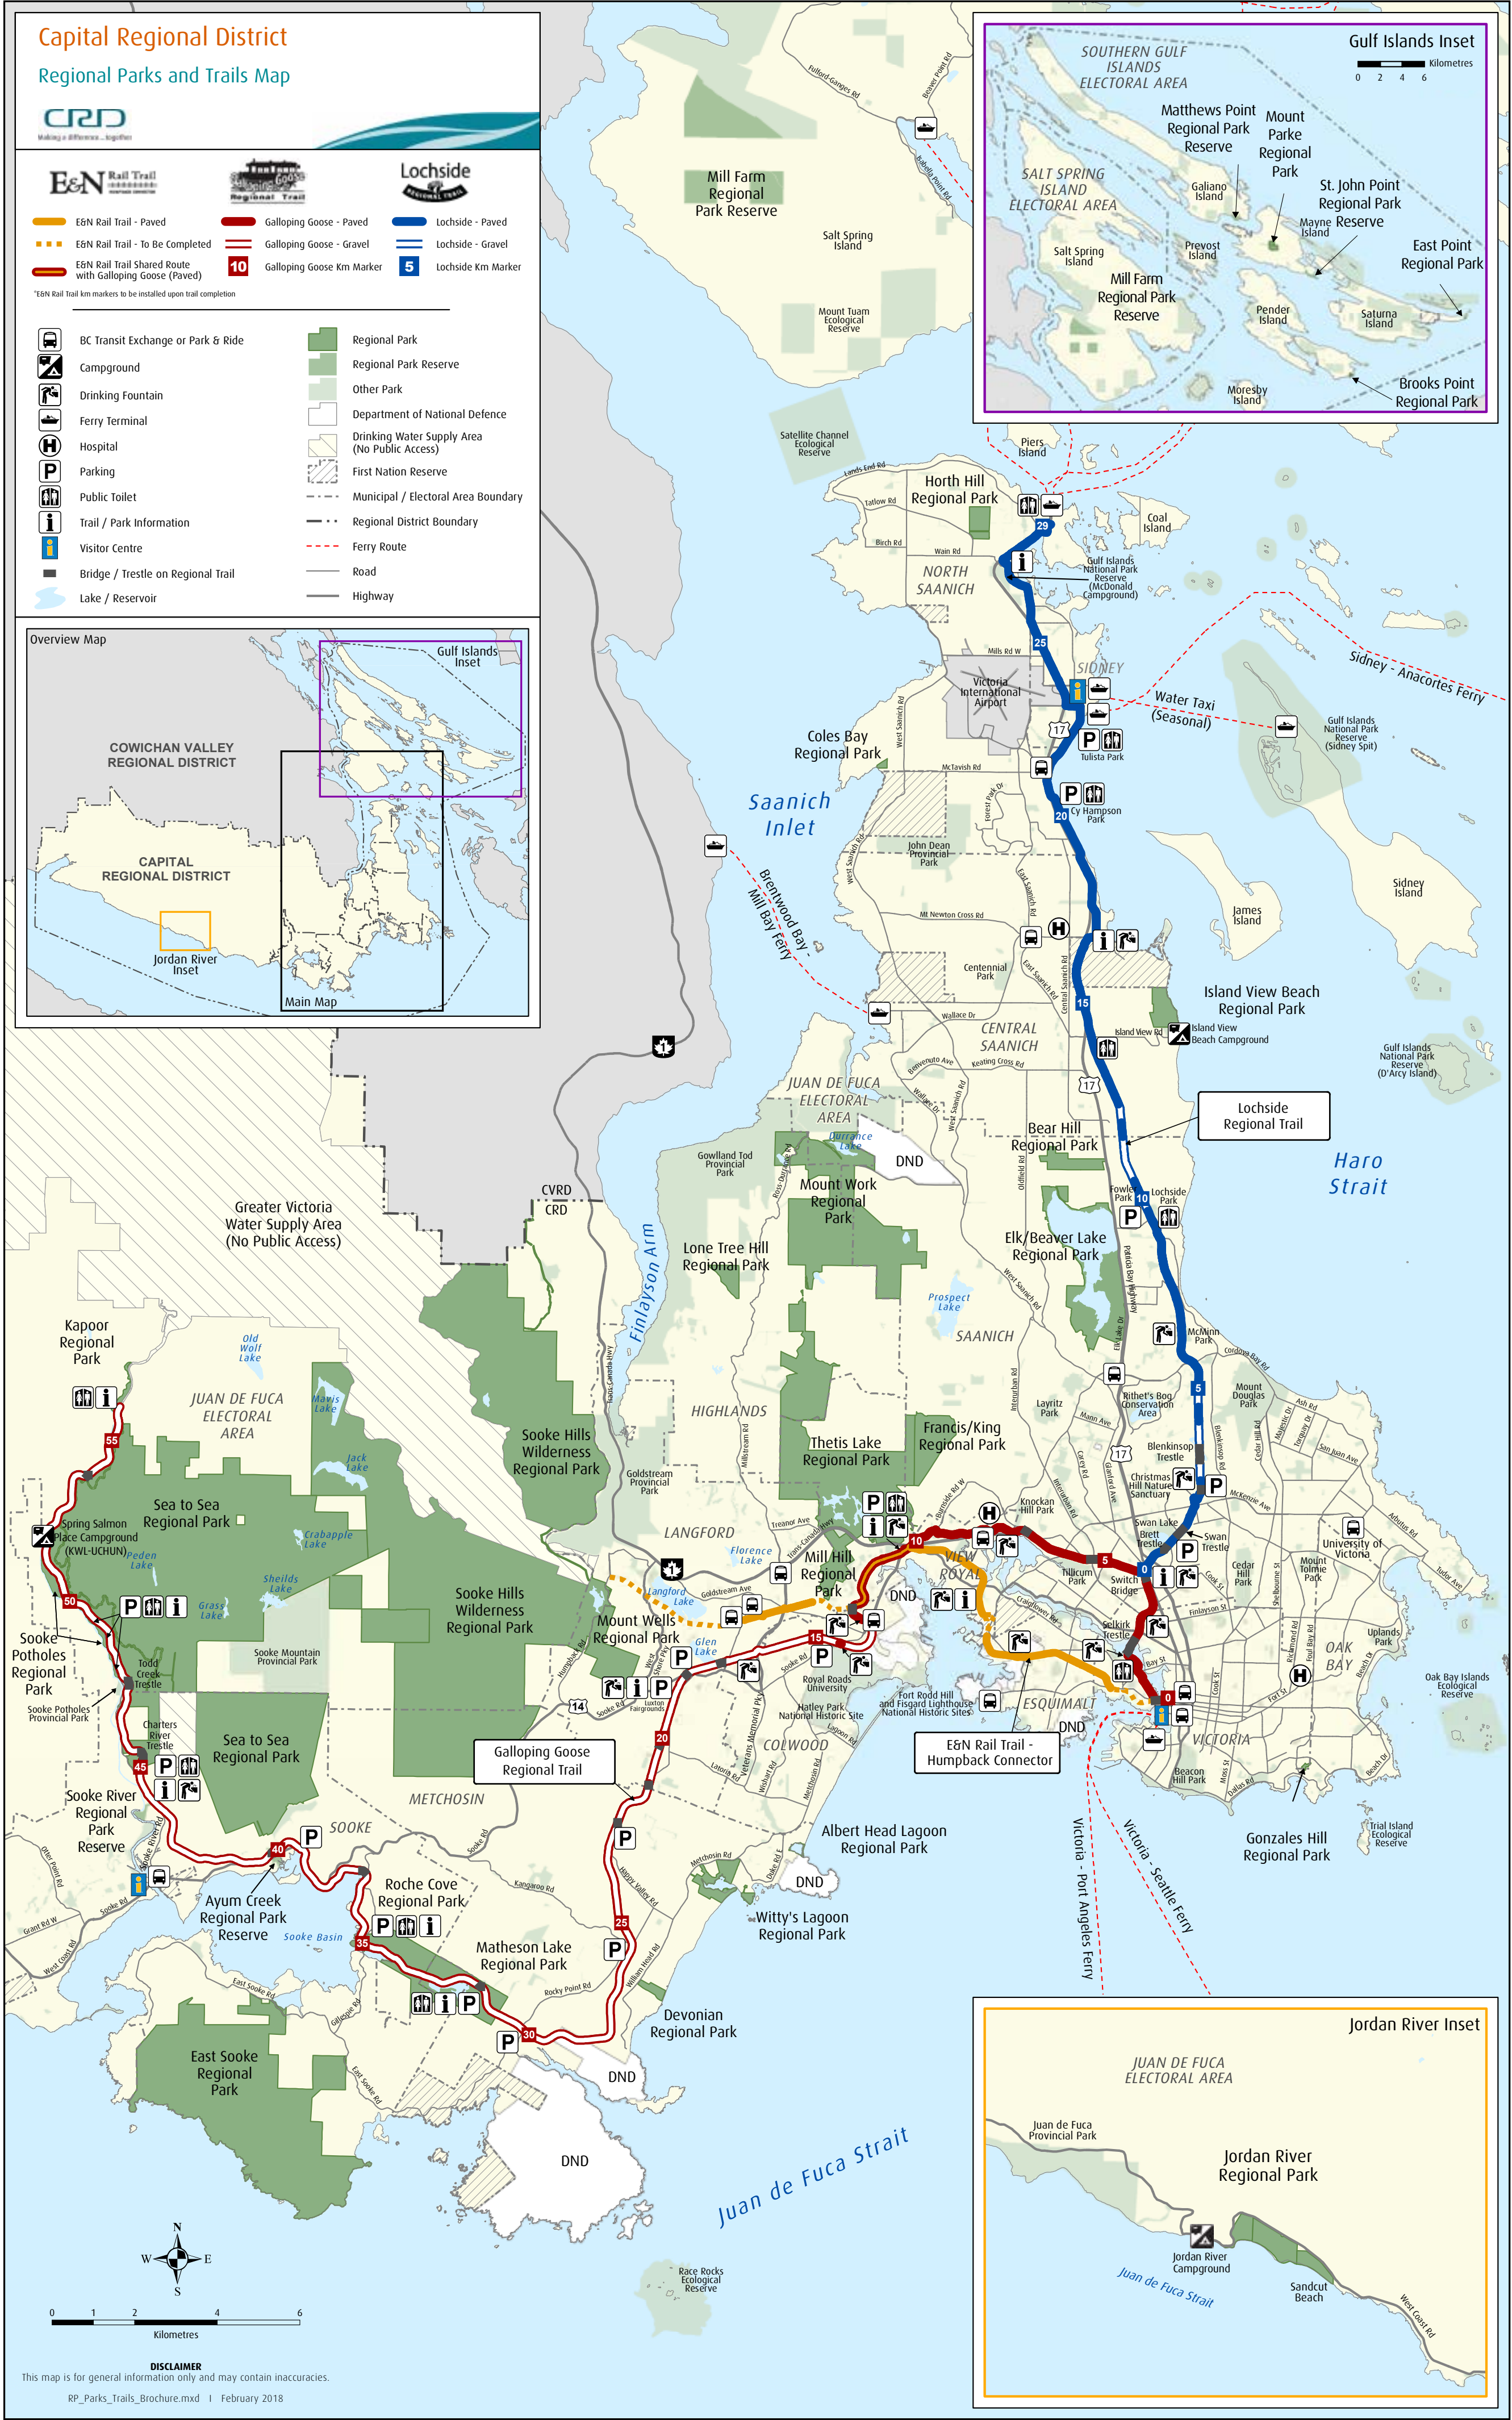

---

Consider a nod, wave  
or smile when passing  
others. Together we  
can create a culture  
of compassion where  
sharing the trail is  
an opportunity, not a  
challenge.
