### Online Registration Site

The CRD's secure [online reservation system](#) site allows you to reserve and pay immediately for a campsite with no wait.

- ❖ Starting on the first Monday of May at 9am of each season, reservations for campsites can be made up to 30 days in advance of your arrival date. If your booking extends beyond the 30 day window, as long as the first day is within the 30 days, your reservation can be completed.
- ❖ Reservation holders must be at least 17 years of age and are responsible for the actions of all party members.
- ❖ Camping Party Size must be no more than 7 persons per campsite with a maximum of 4 adults
- ❖ If you attempt to book a date later than the 30 days, the system will indicate "out of booking range."
- ❖ Reservations must be made a minimum of 24 hours in advance (i.e. before noon the previous day). Otherwise the system will indicate "out of booking range".
- ❖ You can reserve multiple campsites per transaction.
- ❖ Camping fees include parking for one vehicle. An additional vehicle may be parked onsite on RV sites for an additional fee of \$10.00 per night. Additional parking is not available for tent sites.
- ❖ Full pre-payment of all camping fees is required for the booking to be secured.
- ❖ The maximum stay is fourteen (14) nights in a calendar year.
- ❖ Check-in time is 12 PM. Check-out time is 11 AM.
- ❖ Refunds are not given for an eviction, vacating your campsite early, or due to inclement weather.
- ❖ Reservations are not transferable. Any reservation owners or holders found to be transferring or selling their reservations to another party, risk the chance that their reservation may be cancelled without a refund. If a customer can no longer use their reservation, they are encouraged to cancel their reservation so that any unused fees that are not forfeited as a penalty can be refunded.
