

PLANNED GIVING

Life Insurance

LEAVING A GIFT

Give a gift of life insurance to support your regional parks

Insurance is one of the most flexible planned giving options available to donors. Depending on how you wish to structure your gift, you can realize significant tax advantages during your lifetime or benefit your estate. Life insurance needs change as life goes on. Children become self-sufficient and investments may provide unexpected income and security. After such developments, some life insurance coverage may no longer be needed for the reason it was originally purchased. If you gift a paid up life insurance policy to CRD Regional Parks, you receive an immediate tax receipt for the paid up value of the policy.

CRD Regional Parks will accept gifts of life insurance where CRD Regional Parks is named as both beneficiary and irrevocable owner of the insurance policy. The donor must agree to pay, before due, any future premium payments owing on the policy.

To arrange a gift of life insurance or to obtain more information on gift planning contact us by phone at 250.478.3344 or by email: legacy@crd.bc.ca. If you have already made a provision for the CRD Regional Parks as a beneficiary with your life insurance please contact us so that we may acknowledge your generosity.
