What other information needs to be included in a trucked liquid waste directory for generators?

The CRD has recently formed a trucked liquid waste stakeholder group to provide advice and expertise, as well as to play a partnership role in the development and implementation of a trucked liquid waste program. Would you be interested in participating in the stakeholder group (3 – 4 meetings per year)?

Yes

No

Please send me agendas and meeting notes

**Thank you for filling out this survey.
