Clover Point Pump Station: Extended Work Hours

Construction of the Clover Point Pump Station is temporarily extending work hours from 7:00 a.m. to 2:00 a.m. to complete screen relocation work. This work is scheduled to begin today and take approximately two weeks to complete. This work is weather dependent.

What to Expect

- The majority of work will take place inside the pump station.
- Noise and lights associated with construction equipment may be expected.
- Diesel-powered pumping units will be in operation and are equipped with acoustic enclosures to reduce noise.
- Measures are in place to mitigate any construction-related impacts to the surrounding community.

Work Hours

- Monday to Friday 7:00 a.m. to 2:00 a.m.
- Saturday from 10:00 a.m. to 7:00 p.m.

Traffic Impacts

- There will be no traffic impacts.
- The Dallas Road Waterfront Trail between the Clover Point Pump Station and the crosswalk at Memorial Crescent remains closed until April 2020.

Construction at Clover Point is anticipated to be complete by summer 2020.

Thank you for your patience as this work is completed.

About the Wastewater Treatment Project

The Wastewater Treatment Project will provide tertiary treatment for wastewater from the core area municipalities of Victoria, Esquimalt, Saanich, Oak Bay, View Royal, Langford and Colwood, and the Esquimalt and Songhees Nations by the end of 2020

Any questions about the work, please contact the Project Team.
