## NOTICE OF CONSTRUCTION

**PROJECT: SMITH HILL RESERVOIR, PUBLIC ACCESS IMPROVEMENTS**  
**DATES: MID NOVEMBER 2015 TO MARCH 2016**  
**TIMES: 7:00 AM TO 3:30 PM**

The Capital Regional District Integrated Water Services is preparing to start construction on a public access improvement project at the Smith Hill Reservoir site, in coordination with the City of Victoria. The improvements will be consistent with the City of Victoria's Summit Park Management Plan and improve connectivity to the City's Summit Park trail system. This project will be constructed in two phases as follows:

### **Phase 1: Fall/Winter 2015**

- Timber and gravel stairs (west slope) - access to Summit Ave.
- Concrete and timber stairs (north slope) - improved connectivity to Summit Park.
- Slope reinstatement - Deactivation of existing informal pathways around the reservoir.
- Split rail fencing – Miscellaneous locations.
- Amenities - Lookout point (east side of reservoir) with park bench.

### **Phase 2: Winter/Spring 2016**

- Pathway - Granular walking surface around the reservoir perimeter and an asphalt/concrete curb (south side of reservoir).
- Signage - As required.
- Other Works - Garbage receptacle and bollards.

Please be advised that some construction noise can be expected during working hours. As well, users can expect temporary trail closures during construction.

The Capital Regional District will endeavor to minimize any inconvenience. Thank you for your patience and understanding during this improvement project. For further details please visit the CRD webpage at <https://www.crd.bc.ca/project/capital-projects/smith-hill-reservoir-public-access-improvements>.
